I WAS THE ONE WHO LEFT FIRST, SO HOW DID YOU GET HERE AHEAD OF ME?
DID YOU THINK THAT YOU HAD LEFT ME BEHIND!!?
YOU STUPID MINICIT!!!
LEVEL 1 KIRI-ISHI, NAME: KIRIA
LIKE I KNOW!
NO...NO WAY, THEN WHY DID I HAVE TO CLIMB UP THE CLIFF...
I RAN ALL THE WAY UP THE MOUNTAIN PATH IN ORDER TO [illegible] TO YOU!!
YOU WERE PLANNING ON CONNING MONEY OUT OF THE VICTIMS WHILE I WASN'T THERE AGAIN.
SHUT YOUR MOUTH!!

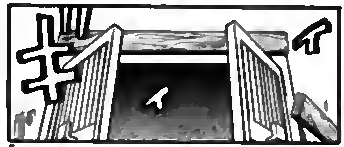
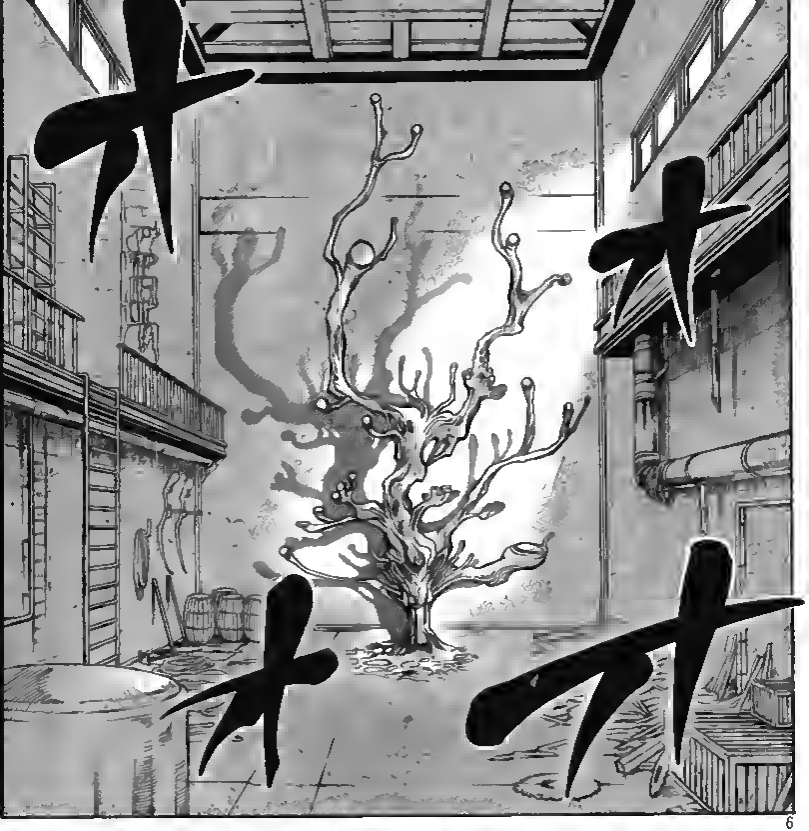
I'M SORRY FOR MAKING YOU WAIT. WE WERE DISPATCHED BY THE ISHI-REN, I'M KIRIA.
I'M HIBIKI
WE... WERE SAVED
WE WERE WAITING FOR YOU!!
KIRI-ISHI-SAMA!!

(TN-ISHI-REN IS THE ORGANISATION THAT CONTROLS/ORGANISES THE KIRI-ISHI)





If you think of it like a bug it's like a Maimaikaburi Tosition
No need to worry. It isn't all that impressive for an Akatsuki
Um...are you going to save him?
Is it really okay to not worry about that?
A Yumekazura huh.

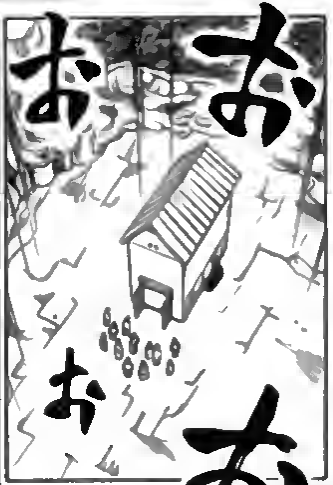
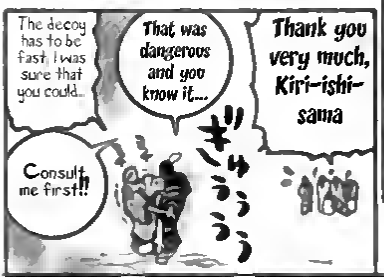
Completed

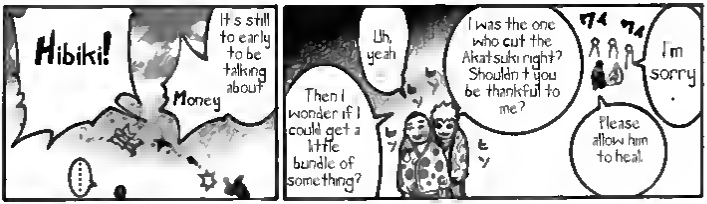
Kuramoto is safe!
Th...they did it! The Akatsuki has been cut off!!





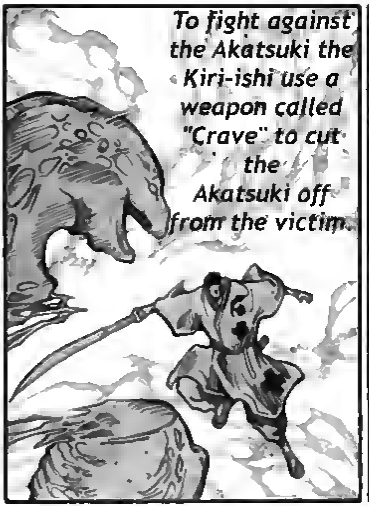
The decoy has to be fast, I was sure that you could...
That was dangerous and you know it...
Thank you very much, Kiri-ishi-sama
Consult me first!!

The Akatsuki has been safely sealed into the vial.
Do you think there was anything that he was carrying that could have caused it?
Ah...yesterday he was picking mushrooms at the mountain behind the village...
Because that mountain has a lot of Yumekazura it should be made into a restricted area after all...



Hibiki!
It's still to early to be talking about
Money
Then I wonder if I could get a little bundle of something?
Uh, yeah
I was the one who cut the Akatsuki right? Shouldn't you be thankful to me?
I'm sorry.
Please allow him to heal

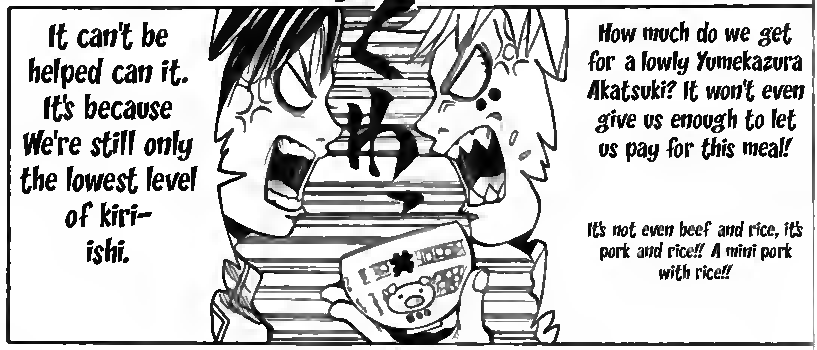
as they are called...
Kiri-Ishi



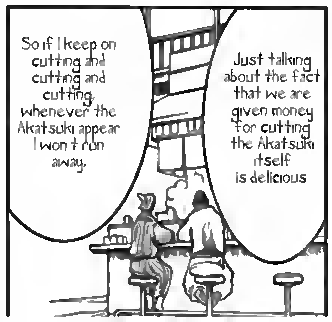
For the sake of the patients, they risk their life

However, the Kiri-ishi are capable of cutting them by carrying their Crove
It's extra-dinarily dangerous attempting to cut them.

Is there something wrong?
Stop trying to solicit money from the patients!! When we turn in a sealed Akatsuki we get money from the Ishi-ren!!
It's not just something!
That's what they are but...
Stop jerking around, Hibiki!



It can't be helped can it. It's because We're still only the lowest level of kiri-ishi.
How much do we get for a lowly Yomekazura Akatsuki? It won't even give us enough to let us pay for this meal!
It's not even beef and rice, it's pork and rice!! A mini pork with rice!!



So if I keep on cutting and cutting and cutting whenever the Akatsuki appear I won't run away.
Just talking about the fact that we are given money for cutting the Akatsuki itself is delicious

It is stealing
Hibiki
You're such a freaking loud-mouth Why can't we take just a little it's not like it's stealing you know~~
Well whatever.

No matter how dirty you have to get your hands you have to keep on cutting them to make money!
No matter what the situation they should always make the best decision.
The kinnishi are based on justice, that means that the victim's life is the top priority.
.....
You're wrong Hibiki.
If the kinnishi are only in it for wealth then they are bound to decline.

You can't call yourself a kenni
Until you understand that

Gyahahaha, you should have seen the look in your eyes!! That was priceless.
はっぎゃはっ

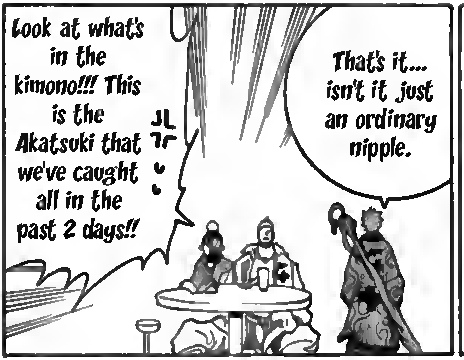
You made it spicy...
You jerk
WOAH

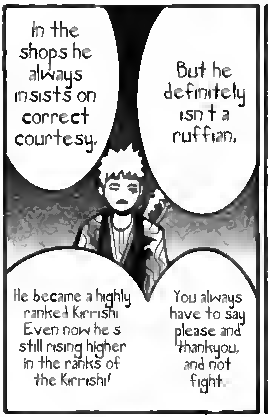
You're being noisy.
KURAINOYON KIRI-ISNI. NAME: GAIZEN
Go outside if you are going to fight.
Yeah, yeah.
HIS SON. NAME: RIN
Who the hell are you? I like to have a bit of fun during my meal after I've finished work.
The highly ranked Gaizen!
Is there an Akatsuki he's here for...in this village...?

Look and be amazed!
I guess there's no helping it.
Obviously.
Oh, Hibiki
So you don't have any idea who my daddy is?
Give it a rest, Rin.



Look at what's in the kimono!!! This is the Akatsuki that we've caught all in the past 2 days!!
That's it... isn't it just an ordinary nipple.

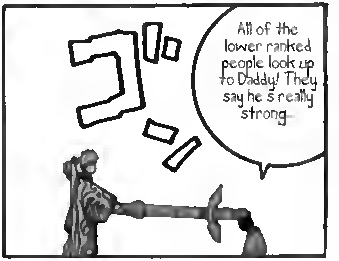
WHAT'S MORE THEY'RE ALL FILLED WITH AKATSUKI HE'S CAPTURED
. . . . . .
THAT'S AN AMAZING NUMBER OF VIALS



In the shops he always insists on correct courtesy.
But he definitely isn't a ruffian.
He became a highly ranked Kiri-shi! Even now he's still rising higher in the ranks of the Kiri-shi!
You always have to say please and thankyou, and not fight.

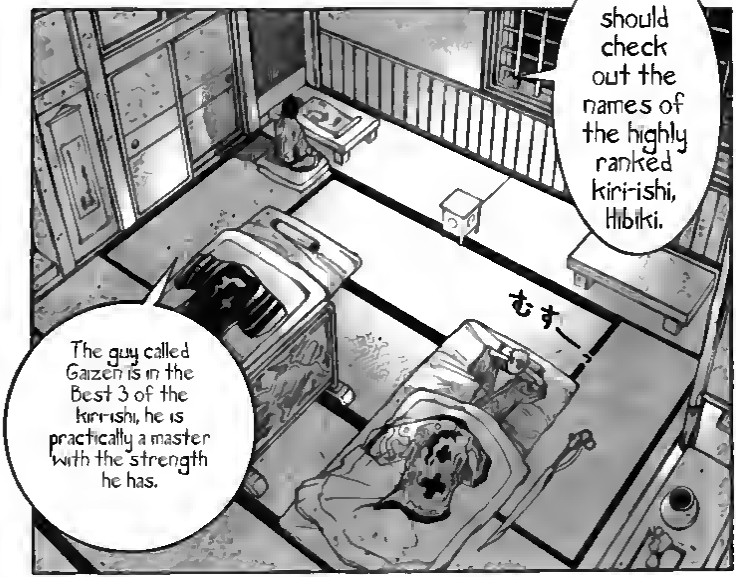
Just today he was able to help three different patients in one village. Daddy is specially requested to do it all the time.
Especially if there's a dangerous A class Akatsuki.
My daddy is amazing!
Rin

He kept on going on and on, the damn kid. Did he want to say that low ranked Kiri-shi can't do anything!?
He definitely didn't say something like that!!
おお!
Haa!! What are you doing Hibiki

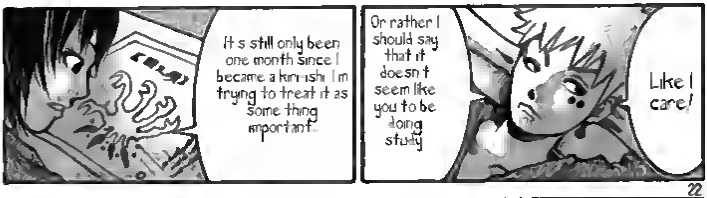


All of the lower ranked people look up to Daddy! They say he's really strong.

(hand written)Curse curse curse curse.....
Yeah...please excuse me.
No...I should be the one to say that.
I'll make sure to teach him proper manners, Gaizen-san.
Are you going to head off to work from here?
...Rin
Don't boast about me
Eh, but that guy...
It's because he said he didn't know who you were.
GEEEz
Uh
It's still no good to do that
Eh no way?
It's the first time I've seen her get so worked up.
Get back here and stay! I won't forgive you!



You should check out the names of the highly ranked kiri-ishi, Hibiki.
むす…
The guy called Gaizen is in the Best 3 of the kiri-ishi, he is practically a master with the strength he has.

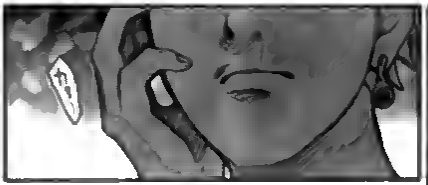


It's still only been one month since I became a kiri-ishi. I'm trying to treat it as some thing important.
Or rather I should say that it doesn't seem like you to be doing study
Like I care!

More importantly than that, did you see it Kiria
I'll leave the studying to you.
I guess you're right but it's just too troublesome.

He'll probably be able to ask for some nice things after that.
When he turns that vial in to the Kiri-ishi guild I can't even guess how much money he'll get paid.
.....
Of the vials that Gaizen was carrying one of them had a red cap?
It's my first time seeing it It's probably designed to hold an especially strong Akatsuki.
Why did you join the Kiri-ishi?
Kee, what a good girl you are.
However
I think risking their life to save the lives of others the Kiri-ishi is the most noble profession
I became one because I wanted to save people
Is there some other reason than to make money?
Haa?
.....

The obsession you have with going up against the Akatsuki is greater than mine.



That's why I think that there must be some sort of special reason that you have.

Well you know, a special reason
.....

.....

It's just an ordinary reason.

What
You can't call someone who hasn't taken a bath for three days a woman

It's a small room, so don't come over to my side.
...I'm going to sleep now
Shouldn't that be my line as a woman...

"Orochibiru" An infectious Akatsuki, it eats all of the infected person's blood to kill death. Limit: 5 hours
What is it Kirin? That monster
That is...
An Orochibiru!
So he could save me, daddy got infected by the Akatsuki.
It's my fault. I got too close to the Akatsuki and so...

I don't understand the full situation but I do know that Gaizen has been infected by that Orochibiru at this rate he probably has about 2 or 3 hours left
Calm down... first of all I have to calm down..
Daddy is...daddy is...
Daddy used the last of his strength to cut the Akatsuki from the patient but...
ヒク
ヒク
!
But the closest Ishi-ren branch probably doesn't have anyone stronger than Gaizen himself
This Akatsuki isn't at a level that we can handle
What should I...
Kuu, we don't have any time to sit around thinking.

That Akatsuki!!
I'LL CUT
Hibiki!!
IT'S TOUGH !!

Idiot!! We aren't able to cut an Akatsuki like the Orochibiru at our level are we?

Let's go!!

I didn't want to make this decision

Are you going to abandon daddy!!
What do you mean withdraw!?
If we are lucky then there will be another highly ranked kiri-ishi there!
From here the nearest Kiri-ishi branch is 2 hours away!
At the moment we have no chance of winning, I can clearly see that.
Uuh..
Uuh...
Please, Kiri-ishi-dan
We can't leave daddy here by himself!
That's no good!

Are you insane!!
Are you thinking of using the Akatsuki's power to cut another Akatsuki!!?
That's so that the kiri-ishi will definitely triumph over the Akatsuki.
Whether it's insane or whether it dirties my hands, I'll use whatever method I can!!

Something, anything
Whatever I have to use....
For that reason I'll use the power of the Akatsuki!

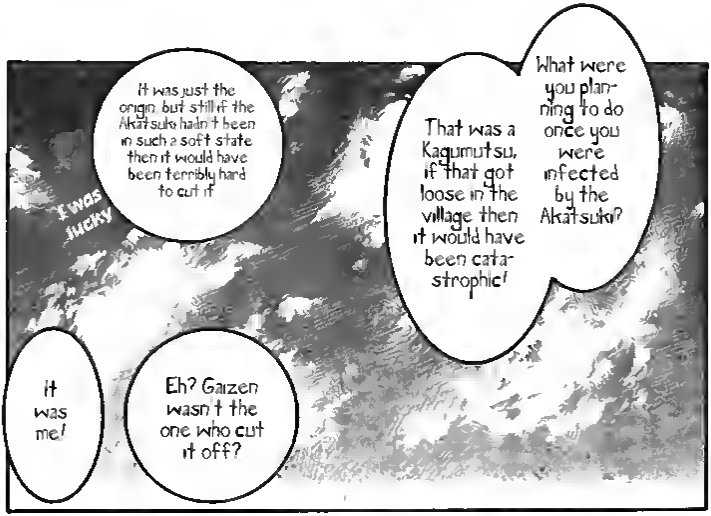
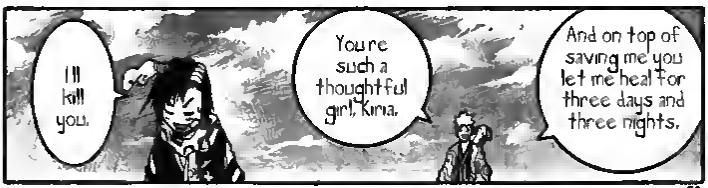
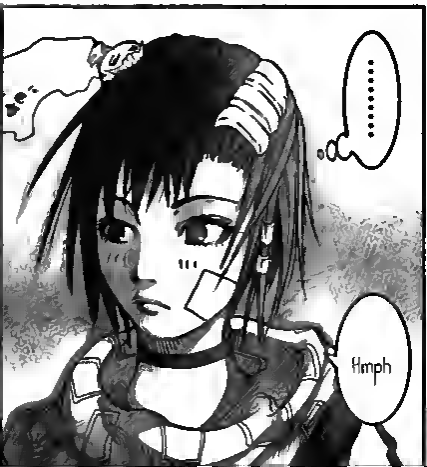
Oh, but thank goodness that we were both able to heal up well
Geez... you're such a careless kind of guy.
No no...But could you please keep it a secret that you needed to come and cure a case of Akatsuki
Thank you for letting us stay here for 3 days. You took great care of us!
Please excuse us



What were you planning to do once you were infected by the Akatsuki?
That was a Kagumutsu, if that got loose in the village then it would have been catastrophic!
It was just the origin, but still if the Akatsuki hadn't been in such a soft state then it would have been terribly hard to cut it
I was lucky
Eh? Gaizen wasn't the one who cut it off?
It was me!



I'll kill you.
You're such a thoughtful girl, Kima.
And on top of saving me you let me heal for three days and three nights.



.....
Hmph

I believe in you.
No, no, seriously, thank you.

Your injuries are better already?
Garzen
Um.. uh...
Hibiki-san, Kirie-san
I don't need that.
This is an example of what you two should do
Instead you should be using super polite speech with me
They're okay. What about you?
Enough to get these.
Thanks for saving my daddy.
